8406

status 22/10/2020

Organisational structure and governance

- A Governance Board (GB) is formed out of RNE, UIRR and other important organizations of the sector and is the highest decision-making instance for RFP
- Members of EU-Commission (DG-MOVE) are always present in GB
- A Technical Control Board prepares technical decisions for the GB
- TCB and GB are Co-Chaired by RNE and UIRR equally

Planned developments

- Establishing connections to other portals for automatic data exchange (e.g. Deutsche Bahn)
- Establishing connections to other portals for reusing the data (e.g. RINF, CRD, TIS, CIP, CIS etc.)
- Introducing a rating mechanism to have a “at a glance” information about the quality of the provided data
- Improving functionality of the user interface of RFP in several ways
- Translating all texts of RFP into all official languages of EU
